Due to parking and studio space constraints we ask that ONLY parents (or Primary Daily Caregiver if parents cannot attend) observe the class. Cameras (still and video) are permitted as long as they are not too interruptive to the class. We appreciate your leaving the studio/parking lot on a timely basis after class, as we have other classes coming in and the parking spaces will be needed.

***Note: If there is a snow day observations will be automatically moved to the next week's class (week of January 29th).**

******* NO STREET SHOES IN THE STUDIO - can use cubbies in the lobby.**
